

Brendon Narta, Software & Information Technology Graduate

Tiranë, Albania, +355676368557, brendonnarta15@gmail.com

Date of birth	04/11/2002	
PROFILE	I am Brendon Narta, a recent graduate in Applied Informatics from Barleti University. Throughout my studies, I have gained solid knowledge in computer networks, IT systems and software development, as well as hands-on experience with programming (C, C++, Java) and web technologies (HTML, CSS, JavaScript, Bootstrap). I am a fast learner, highly adaptable, and motivated to start my professional career in the IT and telecommunications field. My strengths include problem-solving, teamwork and attention to detail. I am eager to contribute and grow within a dynamic environment.
